

National Union of Rail Maritime and Transport Workers

23th June 2014

Dear Comrades of SEKO

Solidarity with the strike action against VEOLIA

RMT expresses our solidarity with your ongoing struggles in Sweden and strongly condemns the decision by Veolia to lay off significant proportions of the workforce and further casualisation.

As you know RMT is constantly fighting against underbidding and its consequences in Britain.

RMT stands shoulder to shoulder with the transport workers, with SEKO and with the working class of Sweden in general.

Yours In Solidarity

Mick Cash
Acting General Secretary
